

## **Disclosure of Ownership**

East West Surgery Center is owned by several area physicians who have chosen to treat their patients at a facility, where as an owner, they have more input into the quality of care provided to their patients.

### **Physician Owners include:**

Donald Downer, M.D.

David Hayes, D.O.

Lawrence Levine, M.D.

Russell Pecoraro, M.D.

The Center also wishes to make you aware in accordance with Florida Statute 456, that your physician also has privilege at other facilities available in the community where the same procedure(s) can be performed. Should you prefer to have your procedure performed at another facility, please discuss this with your physician.
